A list of glads that are tried and true and within the reach of every purse. Not as attractive perhaps, on paper, as the 25, 50, or 100 dollar baby being trailed across the advertising horizon, but just as beautiful and pleasing in the garden, often more so. And if a bulb goes wrong or is disappointing you have much less cause for grief.

If you contemplate stocking up and going in the Glad business, we suggest for your consideration, that the average purse is not lined with bills of large denomination but with nickles and dimes, and it is volume sales that spell success in any business, rather very high or prohibitive prices.

IT HAS OFTEN BEEN STATED BY IRRESPONSIBLE PERSONS, THAT THE WORLD OWES EVERY MAN A LIVING. MAY IT NOT BE TRUE THEY ARE RIGHT, AND THAT INDUSTRY IS ONLY A SANE AND SURE PROCEDURE OF COLLECTION? AND IT MIGHT BE ADDED IF YOU WOULD PROCEED TO COLLECT IN THE EASIEST AND MOST CAREFREE MANNER, WORK FOR HIRE AND LET THE OTHER FELLOW DO THE WORRYING.
